

## PHYSICIAN ATTESTATION

“THE ATTENDING PHYSICIAN MUST, SHORTLY BEFORE, AT OR SHORTLY AFTER DISCHARGE (BEFORE A CLAIM IS SUBMITTED), ATTEST TO THE PRINCIPAL DIAGNOSIS, SECONDARY DIAGNOSES AND NAMES OF MAJOR PROCEDURES PERFORMED. THE INFORMATION MUST BE IN WRITING IN THE MEDICAL RECORD. BELOW THE DIAGNOSTIC AND PROCEDURAL INFORMATION, AND ON THE SAME PAGE, THE FOLLOWING STATEMENT MUST IMMEDIATELY PRECEDE THE PHYSICIAN’S SIGNATURE.”

I certify that the narrative descriptions of the principal and secondary diagnoses and the major procedures performed are accurate and complete to the best of my knowledge.
